

We create and produce advertisement banners and billboards of all sizes. Most often used material is Komatex – with excellent firmness and all weather conditions resistant. We use latest and most advanced technologies to give you the most vibrant colours and highest detail possible.

RENT/SELL offices, apartments and studios
e-mail: studio@medea.sk Tel.: 00421 2 6720 7123

We offer also window films advertisements. They are see-through from inside out, but keep your privacy from outside. We also offer *mesh* technology.

Favourite ones are boards with metal, silver, gold, copper or stainless steel look boards.
